State testing for Twin Oaks Elementary begins Tuesday, April 23rd. Students in K-5th grades will no longer bring backpacks or book sacks beginning Monday, April 22nd. **Cell phones are not allowed.** Parents will not be able to enter the building, due to mandated test security. Students will need to arrive on time by 8:25. Checkouts are not allowed. Students will not be able to bring water bottles. Water bottles can cause a hazard to the technology platform. K-2nd will be completing end of the year testing. All tests for grades 3-5 are computer based. Most tests for K-2nd are computer based. All areas of the school will be in a testing environment. We will need quiet hallways. Please make sure all students are prepared with a good night's rest, eye glasses if needed, medicine if needed, and on time so they may have a nourishing breakfast. Our students and staff have worked hard to prepare for the test. We look forward to receiving the results to see how our students have grown. If you have any questions, please call the front office at 225-275-6620, or you may email Mrs. Junda at TJunda@ebschools.org

Testing Tips for Parents

1. Make sure your child gets plenty of rest the night before the test.
2. On the morning of the test, your child needs to get up in plenty of time so he/she won't feel rushed.
3. Feed your child a good breakfast. Research shows that children do better on tests if they have had a good breakfast.
4. Do as much as you can to make your child feel comfortable.
5. Encourage them to simply do their best.
