We hope you have a wonderful summer and that you will begin your summer reading program early. You are encouraged to read at least three books before you return to school in August. To help you select your books we have made up a reading list for you. Some students find they enjoy and decide to read only one author. Some students like to read mystery books, fantasies or historical fiction. The important thing is that all students need to read to sharpen their reading skills and to experience the pure joy of reading a good book!
